

WTO ENQUIRY POINT

In fulfilling Sri Lanka's obligations under WTO Agreement, the WTOEnquiry Point offers the following services to interested stakeholders:

Provision of notification and related documentation to WTO partners of any proposed new or amended technical regulations and conformity assessment procedures that could have an impact on trade;

- Distribution of WTO notifications to Sri Lanka stakeholders, via *monthly e-mail Alert!*;
- Responses to technical enquiries on a variety of topics, including: national, foreign and international standards;
- Access to standards and regulatory information at the SLSI technical library
