

AMENDMENT NO. 2 TO SLS 618 : 1983
SRI LANKA STANDARD SPECIFICATION FOR UREA
(FERTILIZER GRADE)

EXPLANATORY NOTE

In the existing standard granular urea is not covered. Importers of fertilizers have made a request to the National Fertilizer Secretariat (NFS) to consider 'Granular urea' under the Fertilizer Subsidy Scheme. NFS has recommended the importation of urea under this scheme.

Thus a request has been made by NFS to incorporate 'Granular urea' in the above standard. Therefore this amendment is issued to incorporate Granular urea.
