Clause 6.2 - Marking

Substitute the existing clause with the following:

6.2 Marking

6.2.1 Each bag shall be marked legibly and indelibly or a label shall be attached to the package, with the following information, except for packages intended for export where marking shall be in accordance with **6.2.2**.

- a) Name of the product;
- b) Type/Grade;
- c) Trade name, if any;
- d) Batch or code number, if any;
- e) Net weight in grams or in kilograms; and
- f) Name and address of the producer or trader.

7.2 Marking on bags intended for export shall be in accordance with **SLS 809**. In addition to the standard shipping marks stipulated in **SLS 809**, the following information marks shall be given on each bag.

- a) Name of the product; and
- b) Grade designation.
