Notes

- 1) In accordance with the Council decision taken on 2020-07-22, 30 % increased for year 2020 and thereafter 10 % to be increased for every year. Therefore, the fee applicable for each year is calculated and rounded off LKR 100.00 for easy implementation. **Project officers are requested to charge a certification fee in accordance with the above chart as per the certification period.**
- 2) * An additional fee for the inspection and sampling will be charged as given below.
 - a) Distance greater than or equal to 40 km and less than 80 km = LKR 4 000.00
 - b) Distance greater than or equal to 80 km and less than 120 km = LKR 5 000.00
 - c) Distance greater than or equal to 120 km and above = LKR 7 000.00
- 3) For each payment applicable government taxes will be added.
